Subject: PRAR re: cost to use City Council chambers.

Hi Elaine,

Please consider this a public records act request for the City policy that relates to who can use City Council chambers other than the City Council, the procedure by which the chambers are reserved/paid for, how much is charged for the use, and how the amount due is calculated (i.e. if there is a different charge for nonprofits vs. for-profits vs. private individuals vs. government organizations, if there is a different charge based on the day or time requested, etc). Please also provide records of all organizations or individuals who have been permitted to use City Council chambers for the past 5 years (up through the date of response), and what they paid for the use.

To the extent the use of the video recording equipment and web broadcasting/data storage is considered distinct or in addition to ordinary use of the chambers, please provide that policy/those records as well.

Thank you,
Morgan E. Ricketts,
